November 2011

This disclosure committee (the “Committee”) charter (the “Charter”) has been established by Aceto Corporation (the “Company”) and ratified by the Company’s board of directors to assist the Company’s Chief Executive Officer and Chief Financial Officer (the “Certifying Officers”).

I. Objective

The Committee has been formed to help ensure that disclosures made by the Company in its United States Securities and Exchange Commission (the “SEC”) filings and to the investment community comply with applicable laws and stock exchange rules.

The Committee shall confer with the Company’s independent auditors and outside legal counsel in order to verify the accuracy and completeness of the Company’s disclosures.

The Committee will, under the supervision and oversight of the Certifying Officers, facilitate these objectives by:

- A. - C. Evaluating the integrity and effectiveness of the Company’s Disclosure Controls and Procedures within 90 days before the Company files its periodic reports with the SEC and any amendments to those reports.
- D. Reviewing with the Certifying Officers, outside counsel and the public auditors all relevant information with respect to the Committee’s proceedings, the preparation of the

Disclosure Statements and the Committee's evaluation of the effectiveness of the Company's Disclosure Controls and Procedures.

- E. Certifying to the Certifying Officers before filing each periodic report as to: (i) the Committee's compliance with this Charter and the Disclosure Controls and Procedures; and (ii) the Committee's conclusions resulting from its evaluation of the effectiveness of the Disclosure Controls and Procedures.

II. Membership, Process

- A. Committee members shall include the Company's President, Chief Financial Officer, Controller, General Counsel and head of Financial Reporting. In the event that one or more of such positions are vacant, the Committee shall include other appropriate Aceto employees as determined by the Certifying Officers.

The Certifying Officers (acting with such members of the Committee as they shall determine) may, at any time, assume any or all of the duties of the Committee identified in this Charter, including, for example, approving the Disclosure Statements when time or other factors do not permit the full Committee to review the Disclosure Statement.
- C. The Chief Financial Officer shall serve as the Committee Chair. The Committee Chair shall schedule and preside over meetings and prepare agendas. Any interpretation of the Charter or the Committee's procedures shall be made by the Committee Chair.
- D. As soon as practicable, the Committee shall prepare and submit for the approval of the Certifying Officers and the Company's Board of Directors, a set of Disclosure Controls and Procedures, including policies and procedures of the Committee and policies and procedures to test the effectiveness of the Disclosure Controls and Procedures.
- E. The Committee shall meet as necessary to: (i) ensure the accuracy and completeness of the Disclosure Statements; and (ii) evaluate the Disclosure Controls and Procedures.
